PARDON MY BREAK-IN might have been the words of this truck driver after this vehicle veered off the Beach Grove road south of Antioch and crashed into the one-story house. Here firemen and others are shown helping a tow truck pull the invader out of the building. Driver of the vehicle, Lake county sheriff's deputies said, was Thomas R. Zapp of route 2, box 119, Antioch. Also injured in the crash was Zapp's stepson, James Marek, age 7. Deputies said Zapp lost control of the truck and the vehicle plowed into the house of William Lense last Saturday evening. (Tom Steiskal photo)

Addition to High School Eyed Again

Further discussion of an addition to the present Antioch Township high school building to accommodate an expected increase in enrollment over the coming years was on the agenda for the school board Wednesday evening.

The monthly session of the AHS board of education in principal Albert Dittman's office was scheduled to hear Gilbert Johnson and Arthur Lundahl of the Rockford firm of Gilbert Johnson Architects.

One proposal is to build an addition parallel to the present building but nearer Main street to house classrooms, a cafeteria, rest rooms and the like.

The architects showed preliminary two sets of plans for such a structure at the August meeting of the board.

These were just rough drawings and suggestions for the board to study. No decision was made by the board on them.

Another matter slated to be taken up this week was adoption of the tax levy and budget for the school year. The levy will be on the 1960 assessments but will be applied to the 1961-62 school year.

The budget to be adopted Wednesday night was for the 1960-61 year.

Antioch insurance agencies were asked to submit bids on various insurance policies for the school, covering the buildings, their contents, special insurance and the like.

Old policies are scheduled to expire October 1. Most of them are for three years duration and many expire at the same time.

Hal Lawrence of the Illinois Bell Telephone company was scheduled to explain to the board how the school district could improve its phone service with a new device.

Conservation Talk Set For Lions Club Meet

Edward C. Cooney, assistant director of conservation education in the office of public instruction, state of Illinois, will discuss "The Role of Conservation Education in the Space Age" at a meeting of the Antioch Lions club next Monday evening.

Cooney has served as national membership director for the Izaak Walton League and was one of the founders of the Illinois Federation of Sportsmen's clubs. He has been active in conservation for 25 years.

He now is chairman of a seven-state midwestern conservation conference.

The Lions Club will meet at Smart's Country House with dinner to be served about 7:15.

ATHS Evening School Registrations Dated

Evening school registration at Antioch Township High School will be conducted from 7 to 8:30 p.m. Monday, October 3, assistant principal Warren Polley reminded prospective students Wednesday.

Classes will meet one night a week for 10 weeks and each class will be two hours long.

Further information may be obtained by contacting the school office.

Public Works Meet Slated

The public works committee will meet at the village hall in Antioch at 8 this evening (Thursday).

Ray F. Anderson, manager of the North Shore sanitary district, and Richard Thacker, consulting engineer for the Thacker-Engineering company, will be present to hear ideas of the committee members and decide if they are feasible and workable.

Emory Ikan is chairman of the committee and Mrs. Julia Chonis the secretary.

This "special citizens committee" appointed to study county wide problems of sewage treatment, water distribution and flood control has been meeting in different towns in the county.

Previous sessions have been held in Waukegan, Deerfield, Libertyville, Barrington and Grayslake.

2,000 Balloons Rise Saturday

Balloons by the thousands will be covering the skies in Antioch and vicinity along about 11 a.m. Saturday, September 24, and chances are that the rush to retrieve them will be equally as numerous.

Registration cards will be in these helium-filled balloons to be sent aloft at the intersection of route 173 and 59.

This is a contest being sponsored by the Ace Hardware, Antioch IGA, Modern Living and Shoes by George stores located at this intersection. No purchase will be necessary to win a prize.

It will be open to anyone, but those entered must sign up by Friday, September 23, at the stores mentioned.

Anyone recovering one of the balloons and returns the card inside will be awarded a free gift. People whose names appear on the cards each will receive four free gifts (one from each store).

A special gift with a retail value of \$50 will go to the person who returns the card with the highest number. The same amount will go to the person whose name appears on the card.

Winners will be announced in The Antioch News the week of October 10. They also will be posted at all four stores.

Driver Injured In Beach Grove Road Accident

Thomas R. Zapp, 28, of route 2, box 119, Antioch, suffered a possible fractured skull and severe head cuts and bruises when the truck he was driving crashed into a house on the Beach Grove road last Saturday night.

He was taken to Victory Memorial hospital, Waukegan, in the Antioch Rescue Squad ambulance.

The truck, Lake County sheriff's deputies said, ran wild and plowed into a house at 125 Beach Grove road after he lost control of the vehicle. It swerved into the east-bound lane and onto the lawn of the home of William Lense.

A stepson of Zapp, James Marek, age 7, was slightly injured, sheriff's deputies said. The boy jumped out of the careening truck and suffered only slight cuts and bruises.

The truck continued across the lawn and slammed into a tree breaking it off and throwing Zapp from the truck's cab.

The driverless vehicle continued on, plowing into the one-story house five feet and moving it several feet off its foundation. A gas main was broken and furniture crushed.

No one in the house was injured, deputies reported.

Zapp was charged with driving on a revoked license and reckless and drunken driving.

In another mishap, two Kenosha county youths were hurt when a car in which they were riding went off the Rock Lake road about a mile north of North avenue and just inside the Illinois-state line Saturday.

Another car went into the ditch on the other side of the road.

The Antioch Rescue Squad took the youths to the Antioch clinic for treatment, Lake county sheriff's deputies said.

Registration Saturday at Town Places

Antioch Township people who are not registered to vote in the November election will have an opportunity to do so in their own precincts Saturday, September 24.

Hours on that day only will be from noon to 9 p.m.

There will be no registration of voters permitted that day in the Lake County courthouse in Waukegan or with any of the other various places for registration throughout the county.

Illinois law provides for such a precinct registration day every two years, Miss Eva Palmer, chief deputy county registrar, said.

Last day for registering to vote in the November 8 presidential, state and local elections will be October 10.

Antioch Township precinct registration places are:

- Precinct 1 — Antioch village hall;
- precinct 2 — Antioch fire station;
- precinct 3 — Lotus school (Grass Lake road); precinct 4 — Grass Lake school; precinct 5 — Channel Lake school; precinct 6 — Emmons school (route 59).

Local, Fox Lake Hills Churches To Take Part

St. Ignatius of Antioch and Holy Family of Fox Lake Hills will be among seven Episcopal churches in this area participating in the Acolyte Festival to be held at 7:30 p.m. Sunday, September 25, at Wauconda junior high school.

This festival will "honor the men and boys who serve at God's holy altar," with Venerable Ralph Deppen, archdeacon of the diocese of Chicago, as preacher.

Music will be supplied by the choir of St. Andrew's church, Grayslake. Refreshments will be served.

The church is located at the corner of Osage and Slocum road.

Bake Sale Scheduled

Grass Lake School PTA will sponsor a bake sale Saturday morning in the Lyons & Ryan Ford salesroom in Antioch with Mrs. Donald Soder as chairman in general charge.

There will be homemade bread, pies, brownies and small cakes on sale.

Auction Sale of School Land Oct. 15 Points Up Possible New Local Firm

Rumors that Antioch will gain a new business in the near future took on a more certain note this week with the announcement from the Lake County board of school trustees that it will sell some land at auction October 15.

The land in question is now part of the Antioch Township High School district and is located east of the Soo Line railroad tracks where part of the school's athletic field now is located.

A legal notice being published this week in The Antioch News lists certain conditions under which the sale might be made.

One of them is that the land must be used for industrial purposes only, and that it would revert to the high school district if the acreage is not improved with an industrial building at least 150,000 square feet in floor area.

Another provision of the sale is that this building "shall be substantially completed within one year from date of said deed and shall be ready for occupancy within one and one-half years."

The area up for sale measures roughly 990 feet by 150 feet or 3.42 acres.

The sale will be made to the highest bidder provided that no bid will be considered for less than \$8,000. The sale will take place at 9:30 a.m. on October 15 on the property in question.

Much discussion concerning this

sale was made at a meeting of the Antioch village board and the high school board of education at a joint meeting.

It was the viewpoint of the majority that the high school should cooperate in every way with the village.

After accepting statements from the mayor and various village trustees that the project was for the good of the community, the high school board decided to accept the village board's recommendation that the school property be sold.

"Money realized from the sale of the land will be used to reclaim usable low land owned by the school district that lies east of the tracks," President Robert Denman of the high school board said Wednesday.

"The entire tract of school property east of the (Soo Line) tracks will then be developed and improved by the (high school board) for use in the physical education, health and athletic program."

It was not announced the name of the firm planning to build here.

Dr. Jimdrich Laurich Joins Local Physician

Dr. Jimdrich Laurich, a native of Czechoslovakia, has joined Dr. A. N. Berke of the Medical Center on Orchard street, Antioch.

He went to school in Praha and Munich, Germany, and interned in the Ford hospital at Detroit, Mich., McNeal Memorial hospital, Berwyn, Ill., and in Jamestown, N. Dakota, and Youngstown, South Dakota.

Dr. and Mrs. Laurich are residing on route 173.

Frosh Party Slated For Boys Gym Friday

The boys gym will be the scene of the annual Frosh party from 7:30 to 9:30 p.m. Friday at Antioch Township High School.

This event which will feature mixer games, dancing, refreshments and a general good time is open only to freshmen boys and girls at AHS.

Allendale School 'Open House' Set

LAKE VILLA — "Allendale Day," an annual open house for friends and neighbors of the Allendale School for Boys, has been set for Sunday, September 25 beginning at 2:30 p.m.

Several hundred people are expected to attend the affair which features a traditional softball game between the Onwenstia Braves from Lake Forest and the Winnetka Old Warriors, followed by boat races between the four intramural teams from the school.

Allendale trustees, sponsors of Allendale Day, will host and act as cossuwnains in the races.

Coffee and soft drinks will be served and David W. Dangler, president of the Board of Trustees, expressed the hope that guests will make it a family affair.

All friends of Allendale as well as people who might be interested in seeing the school, meeting the boys and the staff and learning more about the work, will be welcome.

No reservations are necessary, picnic tables will be set up for those who come early with lunches.

The Bradley Club of Allendale, an alumni group, is planning a meeting to be held in conjunction with the other activities.

All graduates of Allendale and former Allendale boys are being urged to attend with their families.

LIBERTYVILLE — Surgical cases reported from Condell Memorial hospital have included Mrs. Louis Hottus of Antioch, Frank August of Lake Villa and Mrs. Marjorie Thomas of Ingleside.

Wilmot High District to Ballot on Addition Bonds

WILMOT, Wis. — Voters of the Union High School District will go to the polls again on Tuesday, October 4, to decide on a \$340,000 bond issue to finance an addition to the high school here.

School Board President Henry Bierdz said the addition is urgently needed, and cited soaring enrollment figures to back the board's plea for funds.

"Enrollment at the high school is now 348," he said.

"Based on enrollments in the grade schools which supply Union High School, enrollment will climb to 432 next year."

"Then it will rise progressively over the next four years to a total of 500."

The present school building was designed to handle 350 students Bierdz said. The new unit would bring the capacity up to 500 pupils. Bierdz said the board has figured

that the tax raise caused by the bond issue would amount to less than \$6 a year on a house with a market value of \$10,000.

The addition first was proposed three years ago. A bond issue proposal last year was beaten, and two attempts to gain approval for the addition at annual meeting also were defeated, Bierdz said.

"Time is getting short now," Bierdz said. "The youngsters are here — and we have to find someplace to put them."

Polls will be open from 7 a.m. to 7 p.m. to electors of the district, which includes the villages of Silver Lake and Twin Lakes and the towns of Salem, Randall and Wheatland.

They will be voting on an August 30 resolution of the school board to borrow \$340,000 by the issuance of corporate bonds, to finance the addition to the present building.

TWO CARS IN THE DITCH. Two Wisconsin youths in the car shown below the road level at the left were reported injured when their vehicle ran off the Rock Lake road about 100 feet from the Wisconsin-Illinois state line last Saturday morning. Occupants of the car at the right were not injured, Lake county sheriff's deputies reported. Here some of the people who stopped to view the scene are shown looking at the vehicles. The car at the right was going toward Rock Lake and the other auto was headed in the direction where the cameraman stood... (Antioch News photo)

DEAR READER News Editorials

Magic Not Necessary to Attract Industry

"Acquisition of industry to help carry the tax burden in this community is a frequently discussed topic." The Grayslake Times said editorially not long ago. "You find little or no disagreement with the idea that a good, clean plant is an asset to any village."

"The stumbling block is how to attract the industry. What do you have to do to bring a new plant to this town?"

This reasoning would seem to apply to Antioch and its environs as well.

Mundelein not long ago acquired its third plant in about eight months and has good possibilities of attracting several manufacturing concerns before too long.

Mayor John Noel of that village has debunked the idea of magic. That village has no industrial development as such. His personal efforts and those of several interested citizens did as much as anything in bringing in the three plants and some 600 jobs to Mundelein.

Mayor Noel's advice was to stop talking about getting new industry and go out and do something about it. "Show industry that your community has a record of good government" was a point Noel stressed.

He said it is more important to show industry that it is welcome than to go out and "buy" it with special favors and considerations.

The Mundelein mayor's remarks make a lot of sense to us and we believe Antioch is following his suggestions, even though it may seem at times that every organization seeking new industry for the village is working against the other.

As a matter of fact we know of at least two companies that are very seriously considering Antioch as a place.

Let's continue to stick out a friendly and helping hand to those companies interested in Antioch.

WE THOUGHT we had heard every kind of "fish story" there was, or almost every kind anyway. But last week came the topper of them all.

Strictly speaking it wasn't a "fish story" about the big one that got away or the bear or cougar or elk that was almost shot.

This one was about a "giant fly" that a local businessman shot down with a b-b gun or something similar!

This local resident insists that he tried other means of killing this particular pest in his place of business and it was only when he pulled out the trusty gun that he finally downed the pesky fly.

And he insists that the fly was a big one, too!

All we can say is that the "man with the gun" must be a mighty good shot, (even if it did take several tries before a bullseye) and/or the fly was even larger than those we have had around these parts of late.

In any case, what a chance for a photo for The Antioch News that would have been! Especially, if the fly was a pretty good size one.

HURRICANE NEWS of late brings many memories of an event in New England 22 years ago to this writer.

He was living in a community on the outskirts of Boston at that time when a hurricane missed the Florida and southern coasts and roared into Connecticut, Rhode Island and Massachusetts without a word of warning.

All we had from the weather bureau until only moments before the storm struck Long Island and Connecticut was storm warnings along the coast.

While where we were living in Needham, Mass., was hit with falling trees, broken wires, no electricity and no phone service, blocked roads, heavy rain and the like, many other sections were struck even harder.

In fact it had been raining so much for weeks before the September hurricane that the ground was so water soaked it couldn't absorb any more. So creeks, rivers and even lakes were overflowing.

Our family home had a tall evergreen blow over, but that was up-righted after the storm and last summer, at least was still prospering.

We in Needham got off rather lightly, even though we were without any electricity for more than a week and had to listen to reports on the storm and other happenings over our auto radio.

MY DAD had a rather interesting experience that day in 1938 as he headed south driving to Washington, D.C.

He was detoured out of the usual roads going into Connecticut by flooding streams so reached the southern New England state later than he usually did on his way to the nation's capital.

Hampered in his movements by the hurricane winds sweeping over Long Island Sound, he stopped be-

Local Government Also Important

The upcoming election and particularly the voting for president is exciting a great deal of interest among the youngsters in the county even at the grade school age.

Boy Scouts and Cub Scouts are using the election as a springboard to greater interest in our government and many of the schools are holding mock elections, straw votes and undertaking various projects with political overtones.

This is of course important and worthwhile, but we get the feeling that there is too much emphasis on the national election and national political study and too little on the local political picture.

The pocket-size politicians gather up material about Richard M. Nixon and John Kennedy, about Lodge and Johnson, and ask questions about the national election, but have no idea who the candidates are for the county offices and, except for Governor William G. Stratton, they have little or no interest in the election at the state level.

This may be due to the fact that the national candidates have provided more colorful and more interesting buttons and gadgets and to the influence of the teachers and parents.

While the youngsters are displaying a great deal of interest in the national election we get the feeling that their education in local government is being as neglected as was that of their parents.

Complaints being leveled against the local property taxes are concrete evidence that people don't know where their tax money goes and are almost vehement in their refusal to find out about it.

Newspapers devote columns of type to reporting on tax levies, appropriation ordinances, budget discussions by school boards, city councils, the county board and other taxing bodies, with detailed explanations about the destination of the huge amounts being collected by County Treasurer Hugo L. Schneider Jr., all to no avail.

The average taxpayer gets his bill from the county building so he decides that the supervisors and the county officials must be the varmints who are responsible for the tax bills being increased each year.

Tell them that the county gets less than \$500,000 of the total \$400,000 that will be collected in real estate and personal property taxes in Lake County and they give you a pitying look for being so naive.

Try to explain that every parcel of property is taxed by scores of different taxing bodies and they shake their heads in disbelief and point to the return address on the envelope in which their tax bills come as evidence that the chicanery takes place in the courthouse.

For an education in the extent of the non-education of the average property owner on matters of local government, sit in on a public hearing on some area-wide proposition that has an emotional appeal.

The arguments and statements stray so far from the facts and the situation under discussion that you will wonder if you are in the proper hearing room.

It might be considered "frills and frippery" by stalwart advocates of limiting education to the three "R's", but wouldn't a regular course in local government and politics be a worthy subject for our schools curriculum?

Bids on Salem Post Office Being Sought

Postmaster Charles H. Petersen of Salem, Wis., said today he has been advised by the office of postmaster General Arthur E. Summerfield that the post office department is now asking for bids to build and lease to the department the new post office for Salem.

Closing date for the bids is October 17.

"This proposed new building will provide expanded postal service for the rapidly growing Salem area," Postmaster Petersen said.

"Specifications call for a structure containing approximately 1715 square feet with an outside loading platform and adequate space for parking and truck maneuvering."

Postmaster Petersen said he has been advised that the post office department will enter into a lease agreement with the successful bidder on a long-term basis.

Bids should be submitted, the postmaster advised, to the real estate officer, F. E. Knapp, 512 Nicolet Avenue, Minneapolis 2, Minn.

He will supply information with regard to bidding forms, building specifications, lease provisions, etc.

First Aid Courses Slated by Red Cross

Mishap Involves 2 Salem Drivers

SALEM, Wis. — Two Salem men and an Aurora, Ill., resident were more or less involved with some steers on highway 50 about two miles west of U.S. highway 41 last Thursday night and in the mixup a steer and a driver were hurt.

As the Kenosha county sheriff's office painted the picture, roaming cattle on highway were spotted by John Gomaz of route 1, Salem, and he went to the Leon Gillmore farm to help round them up.

A car being driven by Horace W. Fish, 71, of Salem topped a rise in the road only to confront a steer. The vehicle struck the animal and while all three men were trying to get the steer off the highway, another car appeared.

This was being operated by Edwin W. Frost of Aurora. It topped the

Why are so many people discarding their old insurance for ours?

There are good reasons. For one, we're independent insurance counselors — which means we represent you and look after your best interests.

Second, we recommend and sell the Homeowners Policy, invented by INA. This gives you — in a single policy — all the coverage you need for your home and possessions, including liability protection. "All-in-one" saves you money. Other reasons? Phone us, and we'll tell all.

Card Party Planned On October 15 By Channel Lake Community Club

By Mrs. Pearl Kapell
Phone Antioch 1837
CHANNEL LAKE — The Channel Lake Community Club at its monthly meeting at the school, September 14, completed plans for a card party to be given at the school Saturday, October 15.

Pat Harland, chairman of the hot lunch committee, reported that lunches were being served to an average of 70 children a day.

Two bowling teams sponsored by the community club reported that they needed two members to fill out their teams. Anyone interested is to

call John Eckert or Lois Ward. Either men or women are wanted. The teams bowl at Twin Lakes at 9:30 Friday nights.

Couples Club members were guests of Mr. and Mrs. Robert Hess at its monthly get-together Wednesday, September 14, enjoyed luncheon and an afternoon of card-playing.

Present besides the host and hostess were Mrs. Katharine Archer, Mrs. Lois Liess, Mr. and Mrs. Frank Hennig, Mr. and Mrs. William Frey, Mr. and Mrs. Harry Weiss and Mr. and Mrs. Clarence Spiering.

The Henry Schwagermans residents of Felter's Subdivision for many years, have sold their home in that subdivision and are leaving the neighborhood.

Charlene Miller of Channel Lake Bluffs, who graduated from the American School of Beauty in April, is now at Amy's Beauty Nook in Antioch.

New officers elected at the annual fall meeting of the members of the Felter's Subdivision Association were: President, Stanley Kiodziej; vice president, John Rill; treasurer, Dr. Warner Doty; First Ward Alderman, Sergeant William Murphy; second ward alderman, Herman Reberg; third ward alderman, Ted Maestranzi; fourth ward alderman, Chester Rogowski; fifth ward alderman, Lawrence Welch.

Pearl Price was re-elected secretary.

Outgoing officers were Leonard Bloniarz, Bill Shible, Bill Schmidt, Roy Pearcey, Mike Nowak and Frank Palin.

The outgoing officers have solved some drainage problems in the subdivision, done over the roads, made pier repairs and instituted a program of weed control.

Home Bureau Unit Heads To Meet September 26

GRAYSLAKE — The fall advisory council for Home Bureau unit presidents and vice-presidents and the county executive board and extension council, will be held at 11:30 a.m. Monday, September 26 at Adria's restaurant, on route No. 41 and Buckley road.

Officers will make plans for the Home Bureau and extension program for this fall and winter.

An open meeting for all homemakers interested will be in the form of a hobby show from 10 a.m. to 3 p.m. on October 7. It will be held at the County Fairgrounds Auditorium, route No. 45 - 1/2 mile north of route No. 120.

Home Bureau units will have display booths where they will exhibit hobbies. Instructions will be given and supplies sold to those interested. Luncheon will be served at noon.

Guest speaker will talk on "Christmas Decorations" at 10 a.m. Patterns and supplies will be available.

LITTLE LEAGUE CHAMPION DODGERS baseball team is shown holding individual trophies they had won and standing at the rear are Duane (Joe) Christensen, its coach, and the team sponsor, John Blackman. Shown in first row, left to right, are Bruce Knutsen, Bruce Muir, Jim Litchfield, Ed Fox, Kaven Jarvis, Dave Larson; second row, Bill Greeninger, Dave DeYoung, Tom Blackman, George Stahl, Jim Balsemello. Players not in the picture are Randi Paulsen and Wayne Hansen. Mr. and Mrs. Clarence Greeninger hosted the team at a picnic on August 21 at their home. Everything stays clean twice as long in a flameless electric kitchen

There's no flame to create dirt that smudges walls or ceilings. A clean-cooking electric range cooks without soiling, keeps your kitchen clean about twice as long. Result: you spend half as much time and money on washing and decorating.

Heats food—not you. A flameless electric range transfers heat to the pan and directly into

foods—not your kitchen. The oven is insulated on all six sides (not just five). Hardly any heat escapes. Your kitchen stays at least ten degrees cooler.

When you build, buy an appliance, or remodel your kitchen, keep in mind the clean, fume-free cooking you get in a flameless electric range.

Special Services, Dinner, Supper Planned Oct. 9

BRISTOL, Wis. — Zion Evangelical Lutheran church plans to dedicate its new \$83,000 church building on Sunday, Oct. 9.

The Rev. Reinhard Bittorf, the pastor, said a full day of dedicatory activities is planned, beginning with the dedication service at 9:30 a.m. There will be a festival service at 3 p.m. and a vesper service at 7:30 p.m.

Special speakers for the occasion will include the district president, Rev. Arthur Halboth of Milwaukee, at the morning service; Rev. Carl Lawrenz, president of the Lutheran Seminary at Thiensville, Wis., at the afternoon service.

A son of the congregation, Rev. Alfred Maaske, pastor at Findley, Ohio, will speak at the evening service.

Meals, to be served include a dinner at noon, supper and lunch after the vesper service.

The semi-modern church building will seat about 280. Focal point is a 14 foot black walnut cross which will feature colored liturgical illumination throughout the year.

The building rises to a height of 30 feet at the peak of the roof. In the rear is a balcony, choir loft and organ. Part of the main floor entranceway will serve as a mother's room.

Washrooms, kitchen facilities and an assembly room are located in the basement.

Waterman, Fuge and Associates of Ft. Atkinson were the architects. Rausch Bros. Construction Co. of Wilmet was general contractor.

Members of the congregation are joining in the project by building kitchen cabinets and assembling church pews.

Grant High Students Have Dramatic Program

INGLESIDE — The Grant High school student council presented the first of several all-school assemblies Monday, September 19.

The program featured Blake Reed in a dramatic program devoted to the stories that have come from the rugged plainsmen of the flat country, the great Mountain men of the Rockies, the bravados of the Mexican border country and the intrepid seekers after fortune who opened up the Klondike.

There was a thrill with every story and ballad. In his role as the "Old Timer" he spun yarns of these magnificent people in a manner that aroused interest in the historical past.

Local Youths Enroll At Wisconsin College

Antioch is represented in this year's enrollment of 1462 students at Stout State College, Menomonie, Wis., the largest number of young people to attend since its founding in 1893.

By Mrs. Bernice Bernau
LINDENHURST — Lt. Col. Clyde M. Lynch and his wife, Mary Anne, were visitors last week of Mr. and Mrs. Bernard (Jean) Vitek of Hazelwood drive. Mrs. Lynch is a sister of Mr. Vitek.

After staying here for three days, the Lynches went to visit his mother at Ripon, Wis.

They plan to spend a little more time in Lindenhurst before he leaves for California where he will be on temporary duty for 30 days. From there he is to go to Seattle, Wash., and then to Alaska.

Col. Lynch expects to be stationed in Alaska for three years.

Bonnie Lee Keulman Returns To Academy

Bonnie Lee Keulman, daughter of Mr. and Mrs. Charles R. Keulman of 698 Main Street, has returned to her work at Wayland Academy, Beaver Dam, Wis.

The college preparatory school, which is co-educational, started its 106th year with an enrollment of 285 coming from 18 different states and 4 foreign countries.

Over the weekend of October 21-23, the annual Homecoming event will be celebrated.

Woman's Club 1960-61 Program Now Available

The 1960-61 programs of the Antioch Woman's club printed by the Gaston Printing Company of Main Street, Antioch, are ready for distribution to the members.

This year the booklet with a red cover and printed in black ink consists of an introduction by Mrs. Janet Brook, president; a list of present officers; a list of past presidents and standing committees.

There is also a list of present club members along with an outline of the club's program for the year, the Green Thumber's year program and officers, and Lake County federation meeting dates and places.

Two pages in the back of the book are devoted to applications for membership and near the front is the club woman's creed, the oath of allegiance to the United States and a pledge.

First meeting of the fall is scheduled as guest day with a luncheon and style show to be held at the Antioch Scout House on Oct. 3.

Hostesses will be the 1960-61 club officers, Mrs. Brook, Mrs. Irving Elms, vice president; Mrs. Jerome Vogler, recording secretary; Mrs. Fred May, corresponding secretary; Mrs. Clarence Kufalk, treasurer and Mrs. Ted Larson, program chairman.

MR. AND MRS. FRANK KONIGSEDER JR.

Barlow Studio Photo

Jeanne Filiatreault, Bluff Lake, Is Married To Frank Konigseder, Jr.

A double ring ceremony at 12 noon Saturday, September 12, united in marriage Jeanne T. Filiatreault of Bluff Lake, Antioch, and Frank Konigseder Jr. of Buckley road, Libertyville, at St. Peter's Catholic church, Antioch.

The bride is a daughter of Mr. and Mrs. W. J. Filiatreault of Bluff Lake. Her husband is a son of Mr. and Mrs. Konigseder of Libertyville.

Rev. Francis L. Johnson officiated in the service in which the bride was given in marriage by her father.

The bride wore a lace over satin gown with a sabrina neckline and long tapered sleeves. There were alternate panels of nylon net and lace on the front of the full skirt.

Over this were lace side panels which flowed into a chapel train. Her nylon tulle embroidered veil was held in place by a pearl coronet. A cascade bouquet of white rosbuds and stephanotis were flowers for the bride.

Judy Hofstader as bridesmaid wore a pale blue organza and lace ballerina length dress with matching bow headpiece.

Junior bridesmaid was Carol Filiatreault, a sister of the bride. She wore a pink organza and lace ballerina length dress with matching bow headpiece.

Bouquets for the bridesmaid and the junior bridesmaid consisted of bouquets of white button mums.

Mary Lou Meyers, a niece of the groom, was flower girl and a nephew of the groom, Robert Meyers, was ring bearer.

A reception at Adria restaurant on the Skokie highway followed the ceremony. Following a honeymoon trip to Lake Geneva, Wis., the couple will be at home on Greenview drive, Gurnee.

The bride is a graduate of the St. Therese School of Nursing, Waukegan, class of 1960. The groom is a graduate of Libertyville high school.

Smorgasbord dinner as a major money-making project for the year was voted when the Antioch Grade school PTA met Monday evening at the school. The dinner will be held in October.

An estimated budget for the year was discussed and adopted. Enlarging the PTA's health program to cover polio booster shots for all children in the grade school was discussed. Mrs. Mary Bruski was put in charge of finding what such a program would cost.

Lorin Volk's eighth grade won the room count with Mrs. Belinda Dittman's fifth grade and Mr. Stanley Anderson Jr.'s grade tied for second.

Coffee and cake were served by mothers of eighth grade students in charge of Mrs. Harry Arndt and Mrs. Xavier Schimmel.

Smorgasbord At L.V.
LAKE VILLA — The Men's Club of the Lake Villa Methodist church will sponsor a smorgasbord Wednesday, September 28, at the church on McKinley avenue. Serving will start at 5 p.m.

Mr. and Mrs. Henry Jarvis and family drove their son William to the airport in Chicago. He will fly to Atlanta, Ga., to report for duty in the Army.

Potluck Is Enjoyed By Hi School Folks

A capacity throng of school board members, teachers, administrators, custodians, cafeteria help and their spouses of Antioch Township high school enjoyed a potluck dinner and informal program last Thursday evening.

The school cafeteria was the scene of the event, which included the introduction of board of education members present and recitation of some of the background of each.

Community singing was led by Kenneth Smouse, Principal Albert Dittman was emcee for the school board-teachers event.

Toy Demonstration Slated Friday Night

A toy and gadget demonstration will be sponsored by the American Legion auxiliary of Antioch at its next meeting in the American Legion hall scheduled for Friday, September 23.

The toy party will start about 9 p.m. after a business meeting. The demonstration will be open to the general public.

Auxiliary members said this will be a good time "to come and look over the fine display of articles which will make lovely gifts for children — and grownups too."

Moose Topics

The Winner Legion No. 74, Legion of the Moose, ceremonial was held at the Elkhorn's new Moose home Sunday afternoon. Seven new members were initiated into the Legion of various lodges.

Two were from Antioch Moose lodge, Vern Heath and Arthur Kraft.

Those present from Antioch Moose lodge were Mr. and Mrs. Morris Verkest, Mr. and Mrs. Arthur Andersen, Mr. and Mrs. Leonard Case, Lester Nelson, Robert Avery, Mr. and Mrs. Michael Tulumello, Mr. and Mrs. Jack Rohde and Mr. and Mrs. James Bigley.

There will be a regular meeting and birthday dinner at 8 p.m. Wednesday, September 28, of all Moose members.

Sunday visitors at the A. Zalatoris cottage on Lake Marie were Mr. and Mrs. Otto Frankish, Mr. and Mrs. Frank Jarolinek and Mr. and Mrs. Steve Duchon.

National Colors Decorate Tables For Style Show

St. Peter's Altar and Rosary Society carried out our national colors of red, white and blue for the membership luncheon held at Smart's Country House Monday afternoon.

The centerpiece consisted of red carnations, white mums and blue daisies, flanked by American Flags and red, white and blue candles. Streamers and candles for the table were in the same theme.

Mrs. Charles Solar, president of the society introduced Rev. A. J. Henderson and Rev. F. N. Johnson; Mrs. Illinois for 1960 (Mrs. Marie E. Wagner of Rolling Meadows, Ill.); Harold Salins of Puritan Forever Young, Mrs. Homer Gaston of the Antioch News; Mrs. William E. Brook, president of the Antioch Woman's Club and Mrs. Arthur Meyer, president of the Chamber of Commerce.

Mrs. Meyer presented Mrs. Wagner with a corsage of white orchids from the Chamber.

Mrs. Francis N. Heck of Channel Lake was chosen queen for the day and crowned with a wreath of white flowers.

Mrs. Thomas Chase of Channel Lake and Mrs. Edwin Jankowiak of Lake Villa were recipients of red and white corsages honoring their August and September birthdays.

Mrs. Thomas Pechousek of Marl-Anne's turned the American Beauty fashion show over to Mrs. Illinois who did the commenting for "Forever Young." As each model came out an American Beauty Rose was presented to Mrs. Illinois.

At the conclusion of the style show, Mrs. Rudy Eckert sang "God Bless America." She was accompanied by Mrs. B. Wagner of Camp Lake, Wis. at the organ.

CUB PACK 300

Cub Scout Pack 300 of Antioch will hold a pack meeting Tuesday, September 27, in the church hall of St. Peter's Catholic Church at 7:30. Parents are being urged to attend, as this will be parental review of the pack. Mrs. Diemer's den will give a skit, and the colors will be presented by Mrs. Waters' den. Refreshments will be handled by Mrs. Sedivec's pack.

Anyone interested in Scouting is invited to attend.

Felters Officers To Meet Sunday

Next meeting of the officers of the Felter's Subdivision association will be held at 2 p.m. Sunday, September 25, at the clubhouse with outgoing as well as new officers asked to be present.

The association at an earlier meeting voted to donate \$100 to the Antioch Rescue Squad fund.

Plans are afoot to alleviate the drainage problem at California Ice road. Neighbors Fahle, Gusserson, Arnold and Sindeler have combined to instruct a supplier to dike up the

depression in the road.

Association officers prepared the way for the project, secretary Pearl Price said. However, the four named people will assume the cost.

Bicycle racks will be fabricated and installed in the north and south parks, with C. Lindley, B. Dost, H. Rehberg and T. Mastranzi on the committee in charge.

Fox Lake Hills Ass'n. Elects

The Fox Lake Hills Property Owner's Association held its annual meeting Sunday in the Lake Villa Grade School, with election of officers the business of the day.

Those named to serve a one year term were Donald J. Herdrich, president; Mrs. William Conrad, vice-president; Mrs. John Denk, treasurer, and Mrs. John Norris, secretary.

Robert F. Wagner, director at large, has one year to serve, on his two year term. Edward J. Kusnier was elected to finish one year of a two year term for the director of Unit 2, who resigned.

Two directors were elected to serve two year terms, Raymond C. Johnson for Unit 1 and Florian Holewinski for Unit 3.

After the election, M. E. Amutz, superintendent of the county highway department and Fred Popp, Lake Villa Township road commissioner, addressed the group with a discussion on roads.

DEATH NOTICES

MRS. MARIE MEYER

Private funeral services for Mrs. Marie Meyer, 82, of Felter's Subdivision, Antioch, who died last Wednesday morning at a Barrington rest home, were held Saturday at Strang funeral home, Antioch.

Rev. Edmond Hood, rector of St. Ignatius Episcopal church, officiated. Mrs. Meyer, who died following a lingering illness, was born June 13, 1878 in Hausham, Germany. She resided in Chicago until moving to Antioch in 1939.

Her husband, Hans Meyer, a retired painter and decorator, preceded her in death Oct. 2, 1957.

Surviving are two daughters, Mrs. Marie Dreibrod of Evanston and Mrs. Frieda Hallman of Deerfield; two sisters, both in Germany, and three grandchildren, Theodore, Robert and Laurie.

THOMAS D. HARNES

MILLBURN — Funeral services for Thomas Dayton Harnes, 61, a resident of Millburn for 23 years who died Monday at a Waukegan hospital, were held Wednesday afternoon at the Millburn Congregational church.

Rev. L. H. Messersmith, pastor, officiated and interment was in the Millburn cemetery. Strang funeral home was in charge of arrangements.

Mr. Harnes was born July 19, 1899 in Chrisman, moving to Waukegan in 1929 and to Millburn later. He married Esther Nelson of Misawanka, Ind., on December 24, 1925.

He was a member of the Millburn Congregational church board of deacons, Masonic Lodge No. 127, A.F. & A.M., and Millburn Eastern Star No. 570. He had been a machinist at Johnson Motors for 31 years.

Surviving are his wife, Esther; two daughters, Mrs. Joseph (Shirley) F. Nader Jr. of Lake Villa and Mrs. George (Virginia) Sinesh of Gurnee; two brothers, Oscar of Dana, Ind., and James C. of South Bend, Ind.; a sister Mrs. L. S. McCord of Waukegan.

Two sisters preceded him in death.

L. V. And Hooper PTA Program Is Discussed

By Mrs. Bernice Bernau

LINDENHURST — The executive board of the combined Lake Villa Consolidated school and the B. J. Hooper schools met September 14 at the Lake Villa school.

In the absence of Mrs. Elaine Murawski, president, Mrs. Lorraine Alfredson, the vice president, called the meeting.

The program planned by Mrs. Murawski, Mrs. Alfredson and James Bradley, principal of B. J. Hooper school, was read to the officers and chairmen.

It was approved by the committee and was read again at the PTA meeting September 19.

Ideas for making money for the PTA were discussed.

James Levins, treasurer, has been replaced by Mr. Pall.

Melvin Colbert, superintendent, showed in a chart how the school enrollment has grown in the past 10 years.

In 1950, there were 188 children in the Lake Villa school. Since then the Hooper school has been built, with an addition already being added to it, and a new addition to be built to the Lake Villa school.

Various scout groups will present the colors at the start of every PTA meeting this school term.

Bristol Lady to Czechoslovakia

By Mrs. Bernice Bernau

BRISTOL, Wis. — Mrs. Emil (Mary) Lazansky of Bristol returned last Wednesday from a trip to Czechoslovakia to be greeted at the airport by her son and his family, Mr. and Mrs. Milton (Evelyn) Lazansky and two children, Susan and Steven, of Lindenhurst, Ill.

The Bristol lady had left June 8 and seeing her off was the Lindenhurst family.

She had a wonderful time visiting nieces and nephews and in-laws. While she was there, she attended the graduation of a nephew, and the wedding of another. She visited her parents graves.

This was her first visit back to Prague and Pilsen in 36 years.

Mrs. Lazansky brought Susan a doll dressed in a Czech costume and Steven a clown and a toy that teaches children to count. A cousin sent Steven a Czech costume that Czech boys wear for special occasions.

The costume has yellow, short pants, white embroidered blouse and a red vest. Evelyn received a decanter, a vase and some cut glass.

All summer, Milton and his family went to Mr. Lazansky's home Sunday and cooked dinner for him, and once a week he would go to Lindenhurst for supper.

'Great Books' Meet Scheduled

LAKE VILLA — The "Declaration of Independence" will be the subject for discussion when the Lake Villa Township library "Great Books" group meets for the first time at 8 p.m. on Monday, September 26.

Co-leaders of the group are Florus B. Albert and Roberta Thompson, who have completed a leadership training course under auspices of the Great Books foundation.

The group welcomes participants from neighboring communities since this is the only first year group active in a considerable area at this time.

Included in the authors whose works will be discussed during this year are Shakespeare, Milton, Aristotle and Tolstoy.

It will meet twice a month at the library on Cedar avenue in Lake Villa. Anyone wishing further information about the program may inquire at the library.

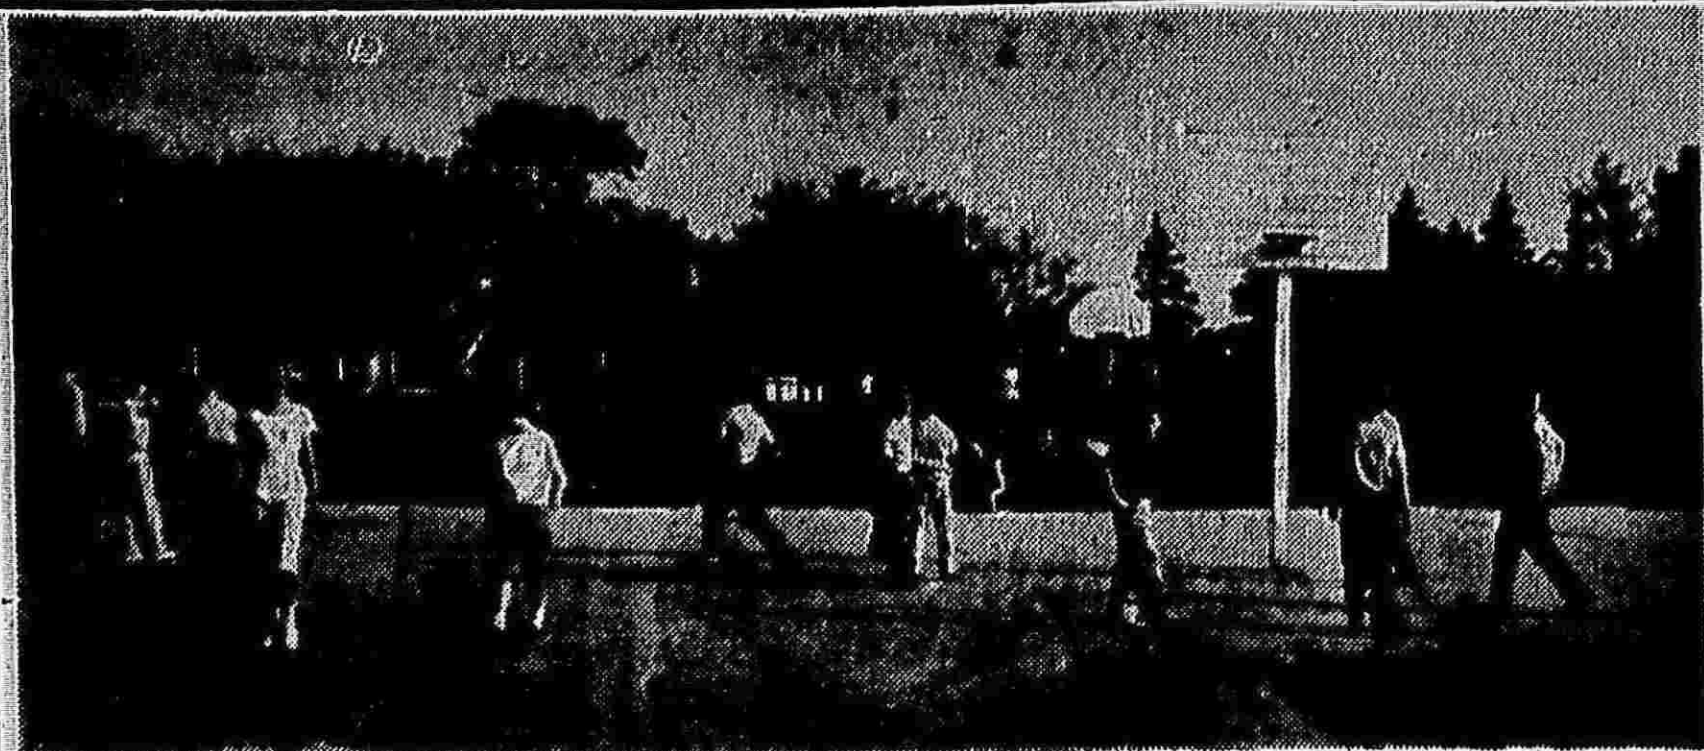

Enrolling New Members Talked by Unit Chiefs

GRAYSLAKE — Mrs. Allen Schalk, president of the Lake County Home Bureau, invited membership chairmen from all Home Bureau units to a party at her home on Guerin road, near Libertyville this week, Wednesday afternoon.

Mrs. Norris Roberts, membership chairman, served as co-hostess. Plans were made for enrolling new members in the University of Illinois Extension program.

Home Economics lessons studied in the Extension program are given at monthly Home Bureau meetings.

Homemakers interested in enrolling in these study and social groups may contact Mrs. Schalk at EMpire 2-0053, Mrs. N. Roberts at ONtario 2-1556, or the county office at Baldwin 3-4844.

SCHOOL DAYS, HAPPY SCHOOL DAYS probably was not the chant in this photo as boys mixed in a little basketball with their activities while waiting for the opening bell at the Antioch grade school. This scene is at the rear of the "in town" building looking toward the Antioch Township library and the Little League baseball field in the distance behind the trees. Two girls on their way to school apparently caught the eye of at least one of those playing basketball. (Antioch News photo)

Science-Math Group at Antioch High Plans Agenda; Past Work Recalled

The first meeting of the school year of the science and mathematics group at Antioch Township high school was held Wednesday afternoon of this week, when an agenda for the year in each group was planned.

All teachers and administrators as well as students interested in these subjects had been invited to attend.

The science-mathematics study group was organized in the fall of 1958.

The main objective was to plan a correlated curriculum for schools feeding into Antioch high that will make the students entry into high school more standardized.

The meetings have been conducted each month plus several special meetings held by each division.

Questionnaires concerning a science guide in kindergarten through eighth grade were sent to all local schools last spring.

Many teachers returned these questionnaires with additional com-

ments which were found to be very helpful to the science group.

Due to the interest shown for a recommended guide in these questionnaires a committee obtained several outlines from various schools. Many teachers at all grade levels helped to study these outlines.

The science group is now in the process of having a syllabus printed up for all teachers who may wish to use it this fall as an instructional guide.

Textbooks also have been evaluated in the science group and a recommended list is available.

The math group also spent considerable time evaluating some 15 textbooks. A list of three was submitted to all schools with a list of criteria used in the evaluation of these.

The science department of the Antioch high conducted a science fair, April 8, 1960, with many schools participating.

This fair was very successful and promoted a great deal of interest.

The committees in both divisions have expressed their appreciation for the interest and time given by many teachers in helping with the various projects.

New Baby, Family At Lindenhurst

By Mrs. Bernice Bernau

LINDENHURST — Congratulations are in order for Mr. and Mrs. Matthew Hoffmeyer of Crab Tree court. They are parents of a girl, Barbara, born August 30 at Victory Memorial Hospital.

She weighed 8 lbs. 4 ounces when Dr. Alan Thain of Antioch delivered her.

Matthew and Carol have lived here just a year. They formerly lived in Glenview. They have two other daughters, Patricia and Michele.

Mr. and Mrs. R. J. Brookman of Chicago are maternal grandparents, and Mrs. Elizabeth Hoffmeyer of Glenview is paternal grandmother.

A welcome is extended to Mr. and Mrs. Phillip (Mary Beth) Rezin of Hawthorne drive and Pine Crest lane. They moved into their new home August 28.

They formerly lived in Round Lake Beach, where they were raised and attended Round Lake high school.

They have been married a year and a half and have a seven month old baby named Keith Michael. Come next January, Keith will have to share his bedroom with a sister or brother.

Phillip has been kept busy cutting and burning weeds on his property, since the house was vacant quite a while, and no one was taking care of it.

Phillip was promoted to assistant manager recently at the National Tea store in Round Lake, where he has been employed for about a year and a half.

Phil enjoys fishing and hunting, and cleans his catch, himself. They have two dogs, Sophie Von Tille is a pedigree Weimaraner who was given to Keith by his Godfather, and another dog named, Ralph.

Mary Beth's mother is Mrs. Catherine Irvin of Briar Hill, Round Lake, and Phil's parents are Mr. and Mrs. George Rezin of Fort Hill road, Round Lake.

Telephone that news item to Antioch 43 or 44.

High School PTA Meet Scheduled

"Back to School Night" will be the main order of business when the Antioch Township high school PTA holds its first meeting of the school year at 8 p.m. Wednesday, September 28. This will be held in the auditorium.

The high school board of education will join with the high school PTA in sponsoring this event when parents and friends will attend classes and meet teachers.

With the addition of 14 new instructors this school term, it will be the first opportunity for many adults to meet the new people.

Mrs. Albert Wieghart, president of the PTA, has scheduled a meeting of the association's executive board for her home Tuesday, September 27.

Zoning Change Asked On Route 173 Property

The Antioch village hall was the scene Tuesday morning of a hearing on a petition to rezone property at the southwest corner of route 173 and Circle drive from R-4 to B-1.

The Lake county zoning board of appeals conducted the hearing on petition of Sadie Kravitz who said the land once was used as a gravel or clay pit and has had considerable excavation.

Mrs. Kravitz said it now is being used for neighborhood dumping purposes.

She wanted the zoning change so she can have the premises filled

and erect one or more business buildings.

Tuesday's session was held only to hear any objections to and points in favor of the petition. The board will announce its findings later.

Free Soil Sample Service Available

By Paul Yaeger
Kenosha Co. Agri. Agent
KENOSHA, Wis. — If you don't like the job of taking soil samples, there's a way out for you if you act soon.

County agent, Paul Yaeger, is reminding farmers that there is a free soils sampling service offered by the agricultural conservation program of their local ASC office.

A trained soil sampler will come to your farm on request — provided the fall rush doesn't make more demand on sampling time than can be met.

There's still the regular 25 cents per sample fee that must be paid for the analysis.

Samples taken by a farmer will not be accepted by the ACP sampler. So if you wish to get this free service yet this fall, apply at your local ASC office immediately.

In Kenosha county, contact the ASC office in Room 104 of the county courthouse, Kenosha.

tered into between the County Board of School Trustees of Lake County, Illinois, executed by its Secretary and the successful bidder. At the conclusion of the bidding the successful bidder will be required to deposit 20% of the amount bid at that time and to pay the balance of the purchase price within twenty (20) days. If the balance of the purchase price is not paid within 20 days, then at the option of the County Board of School Trustees the 20% deposit will be retained as damages and the successful bidder will forfeit all interest in the property. Title will be conveyed by quit claim deed of the County Board of School Trustees of Lake County, Illinois, subject to the following restrictions:

(A) That said real estate shall be used for industrial purposes only.
(B) That the exterior of said premises shall be kept and maintained in a clean and attractive manner and that no use shall be made thereof which may constitute a nuisance or injure the value of any surrounding lands or buildings.

(C) That said premises shall revert and vest in the grantors thereof upon payment to the Grantee of the purchase price thereof if lots 4, 5 and 6 in Block 1 and Lots 7, 8, 9, 10, 11 and 12 in Block 2 in Sequoit Acres Subdivision are not improved with an industrial building of at least 150,000 square feet in floor area, which said building shall be substantially completed within one year from date of said Deed and shall be ready for occupancy within one and one-half years from date of said Deed.

Violation of the above restrictions will result in a forfeiture. By order of the County Board of School Trustees of Lake County, Illinois.

Scavenger Hunt And Play Tryouts Planned By Masters, Mates Club

By Mrs. Bernice Bernau
Phone ELliot 6-5649
LINDENHURST — The Masters and Mates Club of the Lake Villa Community Methodist Church had met Saturday, September 17, in the church basement.

Members made plans for the coming year and made up their program. Among a few of their plans are a scavenger hunt and tryouts for their next play.

Mr. and Mrs. Bob Smith and Mr. and Mrs. Roland Lyons are in charge of the Halloween party next month. Mrs. Dorothy Smith has been appointed publicity chairman.

The club invites all married couples, who are members of the congregation to join the Master and Mates club. They meet the third Saturday of every month.

After the business meeting members played charades and had a wienie roast outside, but they ate in-side.

Congratulations to Chuck and Ida DeSommer of Briar Lane. They celebrated their 13th wedding anniversary, Tuesday, September 20. They have two children, Carol and Greg.

Congratulations to John and Rae Gibbons of Old Elm road, on the birth of their second son, Scott Gerard, born recently at Condell hospital. He weighed in at 8 lbs. 10 1/2 ounces. Their other boy is Kevin.

Congratulations also, to Mr. and Mrs. Martin Gibbons of Hazelwood drive, paternal grandparents, and to maternal grandmother, Mrs. Edna Atchey of Chicago.

Don't forget to register Saturday so that you will be eligible to vote.

Welcome to William and Lorraine Shuts of Witchwood Lane, who moved into here August 29. They are from the south side of Chicago, Damen and 51st streets.

They have been married 13 years and have a daughter Maxine who is a seventh grade student at Lake Villa School. Bill works for Fred Peters Welding supplies in Chicago. He enjoys putting around in the garden in his spare time, and bowling.

Lorraine used to work as a waitress. She likes to sew in her spare time and has made some dresses for the house and some dresses for herself.

The "Q-T" Club met at Mrs. Millie Caldwell's home on Old Elm road, September 13. This was their first session for the fall season.

Mrs. Babe Hartwig won a prize for being able to name the most articles in a paper bag, without seeing them, only touching them.

Mrs. Dee Flint won the booty prize. Others present were Mesdames Bernice Frontzak, Lois Flanagan and Lynn Hay. All the ladies won a prize in another game played. Refreshments were served after.

Seek Architect For Addition to Central Hi School

PADDOCK LAKE, Wis. — An architect will be employed by the school board of Central high school to investigate the possibility of expanding the present school building and its facilities.

The school is filled to capacity this school year with 603 students, board members were told at their monthly session September 13. Bigger facilities will be necessary to accommodate another expected increase in student enrollment for the 1961-62 school year, they said. The 603 total student body is an all-time high for Central.

A representative of the Bluebird Bus Company explained characteristics of a new bus previously purchased by the district.

Students whose claim to district residency is questionable must provide legal proof to the board before they will be accepted on a non-tuition basis, board members voted.

Personnel was hired to replace a bookkeeper resignation and cashier help in the school cafeteria.

The high school principal was authorized to secure necessary teaching personnel to supervise the

they talked and had made some plans for the coming year.

The Lindenhurst Garden Club no longer will meet on the fourth Monday of the month. It will now meet on the first Thursday of every month; next one will be October 6. The new meeting place will be the Venetian Village Civic Association Hall. Meetings start at 8 p.m.

Mrs. Lois Ringsteyer is president, and Mrs. Louise Gawronski is publicity chairman. Residents of Lindenhurst, Venetian Village and Lake Villa are invited to join, as members are opening their membership to everyone interested in gardening.

Friends of Mr. and Mrs. John (Beverly) Tomaski, formerly of Thornwood Drive, and now of Waukegan, Wis., will be glad to know that they are moving back to Thornwood drive in October. They have two little girls, Janet and Sharon. John is the brother of Mrs. Louise Gawronski of Thornwood drive.

Lindenhurst welcomes Mr. and Mrs. Rudolph (Stephanie) Jagielski of Honeysuckle court. They moved into their new home last June. They formerly lived around Belmont and Milwaukee avenue in Chicago.

They have been married 17 and a half years, and have three sons. Rudy, a student at Grayslake high school; Danny, a pupil at Prince of Peace school, and Timmy.

Rudy enjoys making model cars, dancing, weight lifting and wrestling. He won a medal for wrestling in Chicago. Danny prefers to make model airplanes.

The boys enjoy swimming, and are interested in skin diving, and are looking forward to ice skating.

Rudolph works for Continental Can company in Chicago. He enjoys bowling and fishing, when the time allows.

Stephanie likes to crochet and knit sweaters, gloves and scarfs.

A happy birthday to Jeanne Sue who was one year old Sunday, Sept. 18, and to her mother, Mrs. Millie Caldwell of Old Elm road, who had a birthday Tuesday, Sept. 20.

Belated birthday greetings to Mrs. Sophie White of Longmeadow drive who celebrated her natal day September 12, with her daughter, Mrs. Phyllis Kleban, and her husband Bud, and their two little boys, Mitchell and Bradford.

Mrs. White lives with the Klebans. She lived in England, until three years ago, when she came to the United States.

The Friday night Pinochle Club met at Mrs. May Hunt's home on Countryside Lane, September 16. Members are Mesdames June Simecek, Zenia Neumann, Sybil Berbes, Vi Selzer, Grace Slove, Dorothy Verdict and Marge Campbell, who lives in Antioch.

Sequoits to Play Lake Forest on Saturday

Antioch Hi Loses To Wilmot, 25-6; Martin Is Injured

Antioch high's Fighting Sequoits will open their Northwest suburban conference football season on the Antioch field at 8:30 Saturday evening against the strong Lake Forest high eleven.

WILMOT, Wis. — Antioch high's football team lost more than just another football game last Saturday evening.

The Fighting Sequoits not only dropped a 25-6 decision to the Wilmot high Panthers but also the services of center Ed Martin, one of three local lettermen. He suffered a severely injured right ankle.

It was the final game in a 10-game series with the Panthers and it was the only grid contest won by Wilmot in that 10-year period.

Chuck Schuth of Antioch suffered a bruised shoulder. He is another of those head coach Bob Walther had been counting on this year.

Martin was injured in the fourth quarter when a Wilmot player "clipped" the Sequoit player, while trying to block him out of a possible tackle. Martin was taken to a doctor by the Antioch Rescue Squad.

It was feared at first he might have suffered a broken leg. As it is "Big Ed" probably is out for the football season.

PLAY BECAME somewhat rougher after this injury. After the game it took cool heads on both sides of the field to keep tempers down as the Antioch squad surged across the field toward the Wilmot bench.

The Panthers tallied early in the first period after a 75-yard march and was never behind although the Sequoits did tie the score at 6-6. Dennis Jeffers recovered a fumbled ball in the end zone for the Panther tally.

Runs by Cates, Greg Bush and Dennis Hanke had helped set up the score, with Hanke running to the 2 before fumbling and Jeffers recovering.

The Sequoits tied up the score at the end of an 85-yard march with Bob Barnstable passing the final 5-yards to Lance Keisler.

Antioch's famous "Flea-Flicker" play had set up the touchdown in which a forward-lateral is a key play. Involved in this were Keisler, Barnstable, Toby Henry and Schuth.

Wilmot went ahead 12-6 at the half, racing 67-yards to pay dirt in four plays. Hanke tallied from the 18 and Cates rambled for 40 yards in a key play of the series.

NO SCORING was done by either team in the third stanza, but Wilmot sewed up the game with a pair of touchdowns in the final quarter.

Hanke intercepted a pass on the Sequoit 27 and the Panthers went to the goal line in 8 plays, Hanke tallying from the 3. Bush then scored the only extra point of the evening.

Later the Panthers went to the Antioch 20 before losing the ball on downs. But a fumble recovery on the 23 by Wilmot set the Panthers off once again. Three plays later Larry Dombrow scored from the 9.

Wilmot led in first downs 18 to 8, making 17 of them in rushing, and gained 276 yards rushing to 49 for the Sequoits.

Antioch had the edge in passing, gaining 142 yards to 19 for Wilmot. The Sequoits completed 6 out of 11 and had none intercepted. Wilmot tried 7, completed 4 and had one intercepted.

WILMOT HIGH'S THIRD TOUCHDOWN in its 25-6 victory over Antioch Township high school played last Friday evening on the Wilmot field is shown in this photo. The game's umpire at the right is indicating a touchdown. The ball carrier, Dennis Hanke, is buried under the pile of players just to the left of the game official. The Panthers tallied in the first, second and fourth periods, while the Sequoits crossed the goal line in the second period. It was the final game of a 10-game series between the two schools. And it was Wilmot's first victory in the 10 years. (Antioch News photo)

'Horrible Way to End Series' --- Bucci; Game Lost on Bad Breaks, Says Terry

WILMOT, Wis. — "It was a horrible way to wind up our 10-year series of football games with Antioch."

That was the comment this week of Wilmot Union High Grid Coach Frank Bucci on the on-field rhu-barb and post-game developments after the Panthers' defeat last Friday of Antioch, 25-6.

"We have always been friends toward Antioch," Bucci continued. "We took nine pastings from them and never caused any trouble. So I don't feel that they should have a chip on their shoulder because we beat them once."

Coach Bucci continued: "I've been told that cars have been up to Wilmot from Antioch every night since the game, 'looking for action.' We don't feel that we have it coming, because we don't believe we were at fault."

Coach Bucci was referring to a charge of clipping, called against Wilmot during the game.

"Clipping occurs in many games," Bucci said. "It's nobody's fault and it isn't done on purpose. Clipping is bad all right, and I'm sorry it happened—but it certainly wasn't intentional."

"These guys from Antioch are taking it as if it were something malicious — well it wasn't, so I wish they'd forget about it."

Turning to his team's upcoming game, Bucci said that undefeated East Troy looks "pretty good" this year, with four or five "really good boys." East Troy beat Wilmot, 20-0, last year.

"This game coming up is a big one for us," Bucci said. "Because we're undefeated so far, too. If we can win this one, we're over the hump."

In last week's game with Antioch, Wilmot's Dennis Hanke scored two touchdowns, Denis Jeffers and Larry Dombrow each scored one, and Greg Bush made the extra point.

PADDOCK LAKE, Wis. — Football Coach Roger Terry of Salem Central High School here still has his chin up — even though his boys have been beaten twice.

"The score of last week's game was no indication of the game we played," said Terry of the 23-6 trouncing at the hands of Elkhorn.

"We lost the game on breaks — look at the statistics: 'They gained 143 yards on rushing and passing, to our 156. We had nine first downs, compared to their seven."

The Falcons' lone TD was scored

by Andy Aguero, on a 53-yard run.

"Our boys were really in there tackling," said Terry. "They did a fine defensive job. Although we made five fumbles, we recovered three. The two that we lost gave Elkhorn two of their touchdowns."

The Falcons travel to Whitehall Friday for a 3:30 p.m. game.

"We know they run a single wing," said Terry, "and we know that they've won their only game so far."

But fullback Jeff Grubeck of Salem, who was out of last week's game should be back in the lineup Friday.

And Coach Terry is counting on halfback Jim Urban, "who was running real good last week," and stand-up Aguero, for punch against Whitehall Friday.

50-Lap Race Scheduled At Waukegan On Sunday

WAUKEGAN — A special 50-lap championship feature race will be held at the Waukegan Speedway Sunday evening, September 25, to make up for the race lost last Sunday due to the rain.

In addition to the double point championship event a demolition derby and a roll-over contest will be held, plus amateur races, making up for the races rained out two weeks ago.

Track officials also will be at the wheels of cars for a race all their own, track manager Mike Kaishian said.

Jack Radtke turned in the fastest qualifying time last Sunday, turning the quarter mile oval at a speed of 50.62 mph.

Greg Krieger of Milwaukee finished fourth, being bested by Ted Rozinski of West Allis and Bob Kary of Lindenhurst.

Drag Races Set For Sunday P. M.

UNION GROVE, Wis. — A best two out of three "challenge" race will be run off at the Great Lakes Dragway just south of Union Grove Sunday, September 26, when Chris Karamisines of Chicago and Art Malone compete for high honors.

Malone is undefeated and is the only driver ever to have beaten Karamisines in his famous "Chizler." He won over the Chicago man earlier this year while driving the "Swamp Rat," another famous racer.

Malone's new dragster, "The Little Rebel" is rated by him as even faster than the "Swamp Rat," which he drove for more than a year.

He has turned over the 190 mph mark three of the past eight weeks while going below that mark only once.

"The Chizler" holds the world's record of 205.4 mph and it more consistently turns between the 180 mph and the 190 mph marks.

Both dragsters are in the 8 second bracket for the quarter mile run which is timed from a standing start.

Trial runs will be run from 9 a.m. to 1 p.m. and the races will start at 2 p.m.

Bantam Bowlers Meet Scheduled Saturday

Boys and girls wishing to compete in the Bantam Bowling league this season will have to register and receive instruction at 10 a.m. Saturday, September 24, at the Antioch Bowl on route 173 west of Antioch.

Both the boys and the girls' loops will start action Saturday, October 1. Those who register this week Saturday will be able to bowl a free game.
